JUBILEE WISDOM

*May God bless us with
a BIG heart for the
poor and the fragile.*

-Regina Zolner, SSND

Regina Zolner, SSND

75 Years

Sister Regina, a native of Sugar Notch, Pennsylvania, joined the School Sisters of Notre Dame after 38 years as a Bernardine Sister. Upon joining the SSNDs, she entered the chaplaincy program at Parkland Hospital in Dallas, Texas, at the same time working toward certification as a Licensed Vocational Nurse. For nearly 20 years Sister Regina would serve as chaplain for the patients and staff at Parkland. In 1992 she began 12 years of full-time volunteer ministry using her pastoral and nursing skills through home health care in both the Dallas metroplex and on the east coast. In 2004, Sister Regina joined the retirement community at St. Mary of the Pines, Chatawa, Mississippi. She continues to minister through prayer and presence.

Wise in how she worked with people and blessed with a BIG heart for the poor, Sister Regina was referred to as the “Mother Theresa of Parkland.”
