
Where on Earth are we going?

And what can we
do about it?

The **Awakening the Dreamer
Changing the Dream Symposium** is a
profound inquiry into a bold vision:
to bring forth an **environmentally
sustainable spiritually fulfilling** and
socially just human presence on Earth.

If you are ready to explore what this vision means for you,
And the opportunity to create an inspiring future,
we invite you to attend.

*"This has given me the purpose and drive to change my life.
Everyone working for or wanting a better world must see this."*
