A joyful way to pray is to be in tune with the rest of nature. A satisfying prayer is reflection on our own life experiences in light of God's love.

An hour long prayer time guided by a School Sister of Notre Dame will be offered once a month on Thursday, from 6:30 to 7:30 p.m. at our center. Join us, whenever you can. There is no charge.

***Prayer is a search for God  
but it is also a revelation of God.***  
– John Paul II

***...learn from nature the lesson of worship.***  
– Ralph Waldo Emerson
